PROFILE

Compliance and AML professional delivering second-line-of-defence support: compliance monitoring, controls testing, thematic reviews, regulatory reporting and horizon scanning. Recipient of the Cripps LLP Solicitors Award, CISI-qualified and currently pursuing ICA qualifications, with an LLM in Regulation & Compliance (dissertation with Distinction on UK GDPR and AI regulation in financial services) — well suited to an agile, data-driven compliance team.

EXPERIENCE

AML Analyst — ER Accountants, London

June 2026 – Present

- **Compliance monitoring:** support the firm's monitoring framework with KYC/CDD reviews, PEP and sanctions screening and beneficial ownership verification, averaging five client screenings per week (MLR 2017).
- **MLRO reporting:** prepare risk assessment reports on high-risk factors with documented mitigation actions — directly transferable to monthly controls testing and monitoring reports.
- **Horizon scanning & AI risk:** track evolving UK regulation and review third-party AI/AML software supplier risk, keeping monitoring activities current and defensible.

Consultant — Net-Zero Society, London (Remote)

Oct 2025 – Mar 2026

- **Regulatory reporting:** produced structured reporting and MI used by senior leadership and acted as first point of contact for regulatory queries from councils and external parties.

Trainee Compliance Analyst — Regulation & Compliance Clinic, Queen Mary University of London

Oct 2023 – Aug 2024

- **FCA & AML training:** completed supervised training in UK financial services regulation — FCA standards, MLR 2017 and AML/CDD processes — applied directly to live client casework for the financial services market.
- **Applied casework:** conducted CDD reviews including PEP screening, beneficial ownership verification and source of funds assessment, analysed transactions for AML red flags, and drafted compliance reports aligned to FCA standards.

Paralegal Intern — Cripps LLP, Horsham

Sept 2023

- **Controls testing discipline:** audited and reconciled financial transactions exceeding £500,000, identifying discrepancies for compliance review in a regulated law firm.
- **Stakeholder liaison:** collaborated across litigation, IP and accounts teams, building awareness of client account and billing controls.

Legal Research Assistant — University of Brighton

Jul – Sept 2022

- **Company law specialism:** sourced, verified and cross-referenced corporate governance and company law materials (Westlaw, LexisNexis, Hein Online), documenting methodology for handover — grounding in the ownership structures that underpin KYC and beneficial ownership reviews.

EDUCATION & AWARDS

- **LLM Regulation & Compliance (Merit)**, Queen Mary University of London, 2023–2025. Dissertation (Distinction): UK GDPR and AI regulation in financial services.
- **LLB Law (2:1)**, University of Brighton, 2020–2023, including Company Law (70%).
- **CISI Level 2 Award in Introduction to Securities and Investments (2026)** — numerical and thematic foundations in securities, investments and the UK regulatory landscape, providing market context for a regulated bank's products and customers.
- **Cripps LLP Solicitors Award** — awarded by Cripps LLP in recognition of legal excellence (2022); subsequently invited to intern with the firm (2023).
- **Currently pursuing** ICA compliance qualifications.
